Dear Editor

Tracking No.: ____________

Manuscript Title: ______________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

Authorship Responsibility
1. The undersigned warrant that the above-referenced article is original, does not infringe upon any copyright or other proprietary right of any third party, is not under consideration by another journal and has not been previously published.

2. The authors confirm that they have reviewed and approved the final version of the manuscript and that they have taken due care to ensure its integrity.

Copyright Transfer
3. In the event of acceptance for publication, the undersigned authors agree to designate themselves to one of the following categories:

3.2 Please mark only one of the following boxes:

☐ A. One or more of the authors owns the copyright of the submitted article. Indicate which author or authors owns copyright, and by virtue of what means;

☐ B. One or more of the authors is an officer or employee of the copyright holder (eg the Government of Singapore), which retains copyright;

☐ C. One or more of the authors is an officer or employee of the United Nations Organization, the World Health Organization, or the Federal Government of the United States of America, or a similar body, by virtue of which the article is in the public domain.

4. I/ we* certify that I /we /the body of which I am an authorised signatory* own(s) the copyright of the named article, where such copyright exists; and that the copyright has not been earlier assigned.

*Delete as appropriate.
Paragraph 5 does NOT apply if box B or C has been marked.

5. If the article is accepted for publication in the Annals, Academy of Medicine, Singapore, then I /we /the body of which I am an authorised signatory* hereby transfer(s) all present or future (or both) copyright ownership in this article, throughout the world in any form or language, to the publisher, ie the Academy of Medicine of Singapore.

6. Financial Disclosure
   (   ) The authors declare that they have no relevant financial interests in this manuscript.
   (   ) The authors certify that their affiliations with or financial involvement with any commercial organisation with direct financial interest in the subject or materials discussed in this manuscript are declared in the enclosed attachment.

*Delete as appropriate.
